

**Are you frustrated by  
vandalism in your area?**

**Would you like to  
become part of an  
exciting new scheme?**

**Then join our team!**

**Be part of the Love My Parks scheme**

**My park**

The Park Wardens at Newtownabbey Borough Council are working with people like you, members of the community to take action against vandalism and conserve Glen Park.

The Park Wardens work right across the Borough to create and maintain a safe environment in the parks. They reassure the public and provide assistance in the park as well as deter and prevent vandalism.

But they need your help to be the eyes and ears of Glen Park.

You can help by

-  **Identifying and reporting damage in Glen Park**
-  **Conserving and protecting the local habitat**
-  **Become involved in events**

By working together and improving the partnerships between the community and the park wardens The Glen will become

-  **A better environment for all the community**
-  **A safe and enjoyable area for everyone**
-  **An improved and protected natural habitat**
