Events 2012

We will be running a series of guided walks on Cave Hill. These walks will be from 1000 to 1300 on the third Saturday of each month (with the addition of Saturday 31 March) from April to October. Participants should be equipped for inclement weather and wear suitable footwear. Children and young people under 16 must be accompanied by a suitable adult.

Most walks will have a theme where an expert will talk about a particular aspect of the Hill. In the absence of a theme, there will be a walk over the top of Cave Hill with a guide who will give a general overview of the historical and cultural aspects of the Hill and will bring participants to some of its most important sites.
